AICTE Sponsored online Short-Term Training Program (STTP)
on "Financial Analytics"
Phase 1
(Date 22nd Feb. 21 to 27th Feb. 21)
Session wise Report

Date: 22nd Feb, 2021 (Day 1)

1st session was conducted on day 1 from 10:30 AM to 11:30 AM. Resource person was Dr. V.S Kushwaha, title of the session was "Introduction to Financial Analytics" in which he discussed a Historical financial case study relating to three scam the biggest financial fraud (Satyam, World com and Indian Enron) all this fraud cases were discussed by using facts, figures, videos and News. At last, the session was concluded that with improved financial performance, organizations are utilizing financial analytics solutions for improved visibility into revenue, expenses and resource utilization. Adoption of financial analytics solutions provides insights around financial efficiency These improved insights enable organizations to channelize their investments for stronger profits and business performance. The demand for cloud-based financial analytics solutions is expected to witness strong growth over next 5 years. Speed of deployment, ease of scalability, and 24x7 availability are some of the key drivers for adoption of cloud-based financial analytics solutions. Average feedback of the session was 4.5.

2nd Session was conducted from 12 noon to 2 PM. Resource person was Dr. Saurabh Agrawal; title of the session was "Introduction to R".He discussed about R that it is a language for statistical computing and graphics. R provides a wide variety of statistical (linear and nonlinear modelling, classical statistical tests, time-series analysis, classification, clustering and graphical techniques and is highly extensible. One of R's strengths is the ease with which well-designed publication-quality plots can be produced, including mathematical symbols and formulae where needed. Great care has been taken over the defaults for the minor design choices in graphics, but the user retains full control. R is available as Free Software under the terms of the Free Software as a Foundation's GNU General Public License in source code form. It compiles and runs on a wide variety of UNIX platforms and similar systems (including FreeBSD and Linux), Windows and MacOS.Average feedback of the session was 4.49.

3rdSession was conducted from 2.30 PM to 4.30 PM. Resource person was Dr. Saurabh Agrawal; title of the session was "Introduction to R" in which he discussed about practical approach and how to use of R with the help of data set. Various Statistical analysis are covered such chi-Square,T test,Z test,Shapiro, Wilcox and Kruskal etc. Average feedback of the session was 4.58.

Date: 23rd Feb, 2021 (Day 2)

4th Session was conducted on day 2 from 10.00 AM to 11.30 AM. Resource person was Dr. Prabhat Pankaj, title of the session was "Regression Analysis in Finance"He started with brief introduction of SPSS software which is used by various kinds of researchers for complex statistical data analysis. The SPSS software package was created for the management and statistical analysis of social science data. After discussing basics of SPSS, he further continued with the practical example for Regression Analysis. Average feedback of the session was 4.55.

5th Session was conducted on day 2 from 12.00 Noon to 1.30 PM. Resource person was Dr. Prabhat Pankaj, title of the session was "Multiple Regression in Finance"He continued explaining of several variations, such as linear, multiple linear, and nonlinear. The most common models of simple linear and multiple linear. Nonlinear regression analysis which is commonly used for more complicated data sets in which the dependent and independent variables show a nonlinear relationship. He also explained how data needs to show homoscedasticity, which is where the variances along the line of best fit remain similar as you move along the line continued with the quadratic regression, he explains that it is the process of finding the equation of the parabola that best fits a set of data The best way to find this equation manually is by using the least squares method. Average feedback of the session was 4.51.

6th Session was conducted on day 2 from 2.30 PM to 4.30 PM. Resource person was Dr. Prabhat Pankaj, title of the session was "Regression Analysis using Dummy Variables". He explained creation of dummy variable with the help of segments, differential Beta, Hypothesis testing, co-variate in the model and data handling. Average feedback of the session was 4.62.

Date: 24th Feb, 2021 (Day 3)

7th Session was conducted on day 3 from 10.00 AM to 11.30 AM. Resource person was Dr. Sachin Mittal, title of the session was "Financial Modelling using advance excel"He started with discussing how to explore financial modelling with the help of Excel and through practices .To create dynamic model by using formulae in excel, how the change in one variable will impact the another, PMT function to calculate instalment amount, mortgage loan with the help of Data table, what if Analysis and end with the trend Analysis. Average feedback of the session was 4.62.

8th Session was continuing on day 3 from 12.00 Noon to 1.30 PM. Resource person was Dr. Sachin Mittal, title of the session was "Financial Modelling using advance excel"He covering the detail for preparing Reports in Excel, Analysis of Financial Data Sheet in different phases with the help of pivot table. All this was explained with the help of examples and varieties of reports, Frequency distribution were created. Average feedback of the session was 4.69.

9th Session was conducted on day 3 from 2.30 PM to 4.30 PM. Resource person was Mr. Pranabesh Chatterjee, title of the session was "Portfolio Management using R". He discussed Analytical Technique using Modern theory of Portfolio on Excel sheet first, then how to download R studio, Creation of one chart series with single stock and combination of multiple stock, CAPM, Risk return Trade off, optimum Portfolio scenario, creation of multi stock Portfolio, Portfolio specification. Average feedback of the session was 4.38.

Date: 25th Feb, 2021 (Day 4)

10th Session was conducted on day 4 from 10.00 AM to 11.30 AM. Resource person was Mr. Hitesh Sethia, title of the session was "Derivative Data Analytics"he explores the participants with technical part of Financial Market, how to take basic data forward for Financial Analytics, focussing on how market is drives with liquidity and sentiments, performance of equity market and economy, applicability of industry practices as per current scenarios. Taking a practical example of stock, he explained high, low and close market scenario in Bearish and Bullish Market. Average feedback of the session was 4.74.

11th Session was continuing on day 4 from 12.00 Noon to 1.30 PM. Resource person was Mr. Hitesh Sethia, title of the session was "Derivative Data Analytics" he made the participants understand co-locating the server to get the information of highly frequency data and high probability, how to determine volume of market participants at low and high prices, market mover's engagement in buying and selling activities by entering and exiting from markets, decrease and increase in open interest with inflow and outflow of money, relationship between Nifty and put call ratio from underwriter point of view in implied volatility. Average feedback of the session was 4.67.

12th Session was conducted on day 4 from 2.30 PM to 4.30 PM. Resource person was Mr. Pranabesh Chatterjee, title of the session was "Portfolio Management using R". He discussed about the portfolio theory relating to Risk and Return, volatility in market, variance, co variance between the securities, how stock behave with respect to the market, creation of efficient market frontier, creation of optimize portfolio, Sharpe ratio analysis and CAPM at last. Average feedback of the session was 4.52.

Date: 26th Feb, 2021 (Day 5)

13th Session was conducted on day 5 from 10.00 AM to 11.30 AM. Resource person was Dr. C.P. Gupta, title of the session was "Data Visualization and Presentation", he started the session by the discussion relating to challenges faced relating to data visualization and presentation, understanding of Dynamic visualization, use of offset (array function),

IQAC
IPS Academy
Institute of Business Management
& Research, Indore

VLOOKUP function, how to create multiple slicer with the help of pivot table for portfolio analysis using excel data sheet. Average feedback of the session was 4.6.

14th Session was continuing on day 5 from 12.00 Noon to 1.30 PM Resource person was Dr. C.P. Gupta, title of the session was "Data Visualization and Presentation",he tries to make participants understand about creation of optimum portfolio matrix with the help of advance excel and analyze the data sheet by taking examples and discussing about log returns and ends with the variance, co-variance Matrix and end with creating multiple portfolios. Average feedback of the session was 4.59.

15th Session was conducted on day 5 from 2.30 PM to 4.30 PM. Resource person was Mr. Pranabesh Chatterjee, title of the session was "Portfolio Management using R". He continued with efficient frontier, trade strategies, Algorithmic trading analysis using time series data of hard facts and its implementation in strategies as reaction towards market. The decision to buy and sell, maximize profit, optimize execution cost and minimize risk. He also explained about mean reversion, momentum strategies, strategical Arbitrage and Trend following Strategies. Calculation of Sharpe ratio, simple moving average for generating idea when to create strategies for sell and buy position. Average feedback of the session was 4.73.

Date: 27th Feb, 2021 (Day 6)

16th Session was conducted on day 6 from 10.00 AM to 11.30 AM. Resource person was Dr. Vinay Goyal, title of the session was "Publication in High Quality Impact Journal and Accounting in Finance",he started discussion with where to publish a good research paper, important element and factors to be considered ,well known publisher across the world, citation Index ,classification based on the basis of Journal, High Quality Journal Publication, classification based on Publisher point of , Code of conduct for Review of literature, Plagiarism tool checker. Average feedback of the session was 4.73.

17th Session was continuing on day 6 from 12.00 Noon to 1.30 PM.Resource person was Dr. Vinay Goyal, title of the session was "Publication in High Quality Impact Journal and Accounting in Finance",he continued by discussing how to create unique model by validating the data used , emerging market case study, avenues where contemporary research paper can be published, research paper requirement as per API, how to select the topic for research work and ethics to be followed for writing research paper, what beginners in research paper should consider and decide the target journal for publication at end he discussed about the abstract of Research paper should be concise , accurate and provide brief conclusion in a summarize way in the research paper. Average feedback of the session was 4.75.

18thSession on day 6 from 2.30 PM to 4.30 PM. This Session was dedicated to valedictory of the short-term training program-phase I, followed by exam for certification.

FINANCIAL ANALYTICS

Phase I	Phase II	Phase III
February 22 – 27, 2021	March 15 – 20, 2021	April 05 – 10, 2021

Nearly every industry is generating a vast amount of data and nearly every business leader today understands the importance of making sense out of that data to drive business strategy. Companies need more from financial analytics than just accurate financial statement analysis. This financial analytics training program explores the myriad possibilities of improved financial transaction performance and revenue growth that ensue when machine learning approaches are integrated with traditional humdrum financial processes. Whether it is with respect to stock market prediction or customer profitability, financial analytics enables to provide a direction in predicting all. This program blends easy-to-use statistical tools to equip the participants with the requisite skill sets in analyzing financial data. By the end of this program, the participants would be able to perform the required financial analysis using powerful tools like Advance Excel, SPSS and R.

WHO SHOULD ATTEND?

The STTP aims at welcoming all the:

- ✓ Academicians
- ✓ Research Scholars
- ✓ Industry Professionals

IPS Academy, IBMR, Rajendra Nagar, Indore

IQAC
IPS Academy
Institute of Business Management
& Research, Indore

REGISTRATION LINK:

https://forms.gle/n3N85DqatpMFbyT89

LEARNING OUTCOMES

On Successful completion of this program participants will be able to:

- ✓ Understand the concept of financial analytics in financial decisions of business.
- ✓ Analyze real-life cases and understand the concept of forensic finance.
- ✓ To acquaint with relevant softwares' in financial analytics.
- ✓ To apply financial theories and models using real market data.

PROGRAM OUTLINE

- ✓ Predictive Analytical tools and their Application in Finance
- ✓ Portfolio Management Using R
- ✓ Derivative Data Analytics
- ✓ Financial Modelling
- ✓ Data Visualization and Presentation
- ✓ Publication in High Quality Impact Journal in Accounting and Finance

IMPORTANT DATES

Phase 1: February 22 – 27, 2021

Phase 2: March 15 - 20, 2021

Phase 3: April 05 – 10, 2021

Registration should be on or before

16th of February, 2021 for Phase 1
9th of March, 2021 for Phase 2 and
30th of March,2021 for Phase 3

INFORMATION FOR PARTICIPANTS

- ✓ No Registration fees
- ✓ The STTP will be conducted in online mode using Zoom platform.
- ✓ Participants willing to participate in this online STTP should have relevant online gadgets viz., laptop/desktop with adequate internet connectivity.
- ✓ The participants who have attendance 80% and more and also score minimum 60% marks in the online test will be issued e-certificates.
- ✓ Intimation to the participants about registration confirmation shall be given through e-mail.
- ✓ The STTP is organized in three phases, however similar content will be delivered in each STTP, hence participants shall only participate in one of the Phases (1 , 2 or 3) of STTP.
- ✓ The 6 days STTP will have sessions of five hours each day (Tentative Timings: 10 A.M - 11.30 A.M, 12 Noon - 1.30 P.M, 2.30 P.M - 4.30 P.M).

1. The amount of the grant shall be drawn by the Drawing and Disbursing Officer, All India Council for Technical Education on the grant in aid bill and shall be disbursed to and credited to the Registrar/ Principal of the institute through RTGS.

2. The grant in aid is being released in conformity with the terms & conditions as well as norms of the scheme as already communicated and also being communicated in this letter.

3. The Principal of the institute and the Coordinator of the Program are requested to verify the correctness of the under mentioned Bank Account / RTGS Details submitted by them alongwith the proposals, in which the grant is being released.

Institute PAN No.	Bank Name	Bank Branch Name	Bank Branch Address	Account Holder Name	Account Type	Account Number	IFSC Code
AAATI3186K	HDFC BANK LTD	INDORE	UPPER GRD FLB COMMERCE HOUSE 7 RACE COURSE ROAD	IPS ACADEMY	Current Account	50200012278632	HDFC0001240

Instructions/Guidelines to be followed by the University/Institution

I. Disbursement of funds to University/Institutions

a. The full amount of the grant sanctioned is being released as advance to the University/Institute.

b. The amount spent by the institute on the conduct of STTP shall be adjusted on the basis of utilization certificate and detailed expenditure statement submitted by the University/Institution on the prescribed format along with other mandatory documents viz feedback form, copy of proceedings and completion report etc.

b. The above said amount of grant shall be refunded back to AICTE if the Letter of Approval (LOA) / Extension of Approval (EOA) is not issued by AICTE to the institute for the academic year 2020-21.

II Maintenance of Accounts

a. The Institute shall strictly follow the provisions laid down in the scheme document as available on the portal.

b. Funds covered by this grant shall be kept separately and would not be mixed up with other funds so as to know the amount of interest accrued on the grant.

c. The University/College/Institute shall maintain proper accounts of the expenditure out of the grants, which shall be utilized only on approved items of expenditure.

d. The grant is intended to cover items of expenditure connected with the Short Term Training Programme such as Boarding & Lodging to the participants, TA to outstation participants, Honorarium to Course Coordinator, reading material to participants, Honorarium to resource persons, TA/DA to resource persons including two outstations resource persons & working expenses (reprographic services, postage, transport, daily wages, tea/coffee etc.

III. Conduct of test and issuance of certificate

A test shall be conducted by Program Monitoring Committee (PMC) at the end of the program and joint certificates shall be issued (by AICTE & conducting institute) to those participants who have attended the program and have scored minimum 60% marks in the test.

IV. Submission of Documents by the University/Institutions to AICTE

a. The following mandatory relevant documents are required to be submitted by the University/Institution within one month of the completion of the program.

Original Statement of actual expenditure & Utilization Certificate in the prescribed proforma duly signed by the head of the institution and countersigned by Registrar/Finance Officer/Govt. Auditor. In case of self-financing institutions, Statement of actual Expenditure & Utilization Certificate are required to be audited & signed and sealed by a Chartered Accountant endorsing the membership number and complete postal address. Format for the same is available on AICTE web portal.

The University/Institution is not required to submit bills/vouchers/invoices etc for the expenditure incurred out of recurring grants. However, such copies of bills/vouchers/invoices shall be digitized by respective institutions receiving grant and uploaded scanned copies of such bills/vouchers/invoices etc on the portal for availability and view at any point of time.

(ii) Feedback form in the prescribed proforma.

(iii) Copy of the proceedings and completion report.

(iv) List of candidates who have successfully completed the program on the basis of the test conducted by Program Monitoring Committee (PMC).

(v) Report submitted by Program Monitoring Committee (PMC).

b. The amount of the grant shall be adjusted on submission of utilization certificate & detailed expenditure statement by University/Institution. On receipt of these documents, the total amount of financial assistance, admissible as per the norms, shall be worked out and grant-in-aid adjusted.

V. General instructions

a. **Preferably 10% of the participants may be industry professionals deputed by Industry. Further, not more than 2 participants shall be from the host institution/group of institutions.**

b. The grant released/or part thereof, if remains unutilized for any reason after expiry of stipulated time period (for any reasons to include unspent amount, interest , penalty if imposed) shall be refunded back to AICTE in the form of RTGS payable to Member Secretary, AICTE, New Delhi. The bank details of AICTE are as under:-

Account No	:	55113199952
Name of the Account Holder	:	Member Secretary, AICTE, New Delhi
Bank Name	:	State Bank of India
Branch Name	:	Shastri Bhawan, New Delhi
IFSC Code	:	SBIN0050203

c. The STTP is a residential program of a duration of six days with minimum 40 participants. The approved STTP shall be conducted within six months from the date of release of funds.

d. If programme is not conducted within the period of six months of the release of the 100% grant, the released amount, alongwith interest accrued thereon, has to be necessarily returned back to AICTE within a month through RTGS.

d. The expenditure under the Heads 'Honorarium to Course Coordinator' and 'Honorarium to Resource Persons' shall not exceed 1% & 20% respectively of the total sanctioned grant for the Programme. However, overall expenditure shall not exceed the funds sanctioned for the Programme.

g. Any extra money required to complete the programme must be borne by the institute from their own resources. But the quality of the activities should not be compromised.

h. Any unavoidable circumstantial change in the program with respect to name of Project Coordinator, Venue and date for organizing STTP would mandatorily require prior approval of the Council. All such requests should be addressed to AICTE, in advance, recording the specific reasons for proposed changes, failing which the offer for the grant already issued would be treated as automatically withdrawn and the financial assistance released in favour of the beneficiary institution shall be refunded immediately to the Council. Kindly mention the File No. 34-66/108/FDC/STTP/Policy 1/2019-20 in your future correspondence.

i. Steering Committee/Project Monitoring Committee (PMC) is required to be constituted at institutional level. The constitution of the PLC shall be as under:

(i) Principal/Director/Registrar of the institution (Chairperson).

(ii) (ii) Coordinator of the program (Member Secretary).

(iii) Two HoDs and one subject expert (members).

The members of the said PMC shall not be below the rank of Associate Professor. A test shall be conducted by Project Monitoring Committee (PMC) at the end of the program and the certificates shall be issued to those participants who have attended the program and have qualified in the test. The minutes of the meetings, along with PMC report, are to be submitted to the Council at end of the program along with other mandatory documents.

j. **GoI GFR rules** (@https://doe.gov.in/order-circular/general-financial-rules2017-0) should be followed during utilization of grant.

k. This Sanction Order may be treated as Offer Letter for all purposes.

NOTE:- Any deviation from the above will invoke serious action against the Institute.

Yours sincerely,

(Col. B Venkat)
Director (FDC)
