Online Internal Exam- October '21

Student Notice

Date: 4/10/2021

Guidelines/Instructions for attempting the Exam:

1. In online Internal Exam you can appear in with desktop/laptop (mobile phone can be used in case if student cannot arrange desktop or laptop).
2. Your device must have good quality internet connection.
3. You can only login through your **"Computer Code"** and duration of your exam will be of 2 hours.
4. Each question paper will be of total marks as per D.A.V.V. external exam marks scheme, which will comprise of Multiple Sections covering MCQ's, Short Answer, Long Answer/ Numerical Questions/ Case Study.
5. There will not be any choice and it is mandatory for you to attempt all the questions. Without attempting all the questions, your test paper will not be finished and cannot be submitted.
6. In MCQs, there is no negative marking. In descriptive/numerical/case study based question, if you don't want to attempt that particular question, then you must write in the answer box **"Not interested to attempt"** and then you can submit that question.
7. In descriptive questions you would be required to answer in short (Approximately in 300 words) and more focus should be on to the point answer.
8. In case of the numerical or practical questions, you would not require to show detail calculations. Calculation part you can do it on paper for your own reference purpose. You would be required to show minor calculations or only calculated value and more focus should be on the interpretation and analysis of the calculated value.
9. Only one attempt will be allowed to each student.
10. Student need to login for exam 5 minutes before the stipulated time.
11. In case you exit from the online exam due to any technical reasons, then you would be required to login again immediately. Your previous solutions will be saved automatically. If your exam is close without pressing **Finished** button. Then your paper will not be submitted and automatically you will be marked absent.

12. In case of any technical issue during the online test you can refresh the webpage. Or you may contact to:

Dr. Neha sahu	-	8889345566
Dr. Jaya Nema	-	9826837179
Mr. Sanju Mahawar	-	9074778466
Dr. Amit Kumar	-	9827632406

13. Your set of question paper will be different from other students. Therefore, all the students are required to adhere the ethical practices during exam or else strict disciplinary action will be taken.

Wish you all the best and in case of any doubt feel free to ask any question on WhatsApp on the above mention numbers.
