### **Report**

Alumni meet Milap 2017 has been successfully organized by Institute of Business Management and Research, IPS Academy, Indore on 21<sup>st</sup> March 2017. Dr. V.S. Kushwaha, Director IBMR addressed the alumni, and shared the importance of organizing alumni meet as it creates a broad and diverse base of support as well as a pipeline of future support insights regarding their present projects and ventures. The purpose of an association is to foster a spirit of loyalty and to promote the general welfare of your organization. Alumni associations exist to support the parent organization's goals, and to strengthen the ties between alumni, the community, and the parent organization. Creating an engaged, supportive alumni network is crucial to an institution's success. If communication stops once graduates leave an institution, their understanding of the university will become stale. Good alumni relationships bring many benefits to both the institution and the alumni. Some recreational activities were conducted for alumni and also their interaction with students was arranged followed by dinner. In a very important event of the day the Alumni narrated their field experience, apprised the students of industry expectations from them & provided overall guidance to them. At the end, the goal of mentoring is to help students gain the skills and confidence to explore their areas of interest" (Alumni Mentor Programs). There are many types of mentoring programs in higher education. Working with the alumni association, advisers can build a program that provides unique mentoring opportunities.

**यारें याद आती हैं**

वे कॉलेज की Class Room और वे 9:30 का Lecture, फिर Late हो जाने के Punishment का डर।  
Classes Bunk करने Canteen जान होता था, फिर कल से फर्माई शुरू करेंगे यही बहाना होता था।  
Guest Session में पीछे बैठकर सबको सुनाया करते थे, दोस्तों के साथ College Mess में राजमा चावल खाया करते थे।  
Attendance के लिए Faculty के चक्कर लगाया करते थे, Industry Visit जाते हुए बस में अंततः गीत गाया करते थे।  
External में AIKT न आ जाए बस यही डर होता था, हर Semester में दोस्तों के साथ मगर होता था।  
हल्की गुलामी वंद में Blossoms & Flames का आनंद, दोस्तों के साथ मस्ती के नामे गुनगुनाना।  
मनाली ट्रिप में Snowman के साथ Photo Session होता था, Fourth Sem में Last date पर MRP Submission होता था।  
आप लोगों के Batch की यादें अब College को सुना रही हैं, वे Class Room, वे Benches आपके मिलने बुला रही हैं।  
Milap 2018(Alumni Meet) में हम मिलेंगे बहुत से अनुभव और बर्तें सांझ होंगी, Blossoms & Flames 2018 का मौसम होगा, फिर से पुरानी यादें ताजा होंगी।

### **Alumni Suggestions-**

- **Curriculum need to revised:**

There is a need of redefining the management education to keep up with the evolution of skills required to solve problems, innovate and succeed. But, the syllabus of DAVV is failing to meet that challenge and consequently failing to adequately prepare the next generation for the future.

- **Student-Alumni Mentorships:**

Creating a student-alumni mentorship program for the university can help to build strong connections between current and former students. Students want to engage with those who came before them and find out how to succeed in future.

- **Organizing MDP's or Guest lecturers:**

An important area to be focused on is organizing Management Development Programmes (MDPs) for industry and govt. sector, which will further enhance the good image of the institute
