Circular

Date -21/August/2021

“Single-Use Plastic drastically impacts the environment in a harmful way. Single-Use Plastic after usage mostly dumped on the land-fill sites chokes the water supply and drainage system and damages the environment due to its non-biodegradability”.

As part of our Green Campus Initiative policy all students, faculty and staff are requested to participate in activities for banning / elimination of Single Use Plastic in IBMR Building in

“Swachhata Pakhwada”

from 1st September to 15th September 2021.

Everyone is requested to create a strong public movement for mitigation of plastic pollution by adopting the strategy of 6Rs (Reduce, Reuse, Recycle, Recover, Redesign and Remanufacture) for elimination of single use plastic.
